Services and _____
Client Name (printed) Date

Agreement of Services ~

Services provided by Erin Moran, Psy.D., Educator, include, but not limited to, helping clients learn new ways to approach aspects of their life he/she/they would like improve upon. This can include, but not limited to, helping parents gain better insight into how family/personal history can influence current struggles in parenting and ways to overcome related stuck points, teaching (co-) parenting strategies to better support healthy development in their children, improve upon the parent-child relationship through teaching more productive coping, communication & flexible problem solving strategies, and helping couples/parents develop a more meaningfully rich relationship outside the demands of parenting. Additionally, Erin Moran provides Family Transition Support services to families coping with aspects of divorce. While Erin Moran holds a Doctorate in Clinical Psychology, she is not a licensed psychologist. Specifically, she does not provide diagnostic evaluations and/or psychological treatment (e.g., therapy). Instead, educational services provided are intended help individuals wanting to improve upon established skill sets through a collaborative teaching approach. Individuals struggling with a diagnosed mental health problem are encouraged to seek help from licensed mental health professional.
